# VICAIR® ALLROUNDER 02

### **EXPLORE YOUR POSSIBILITIES**

Easily adjustable straps to provide comfort and to follow the body

## Stays with you during activities Skin protection Extremely light to support optimal mobility

Active as you are, not all of your activities require or allow the use of a wheelchair. In these situations the Vicair AllRounder O2 keeps you comfortable and helps to protect your skin. As it is easily buckled onto your body, it follows you around wherever you go.

Feel protected and secure during your sports and outdoor activities, when you sit in a normal chair or on any hard surface, or when you play on the ground. Afterwards you can simply put the entire AllRounder O2 in the washing machine, then hang it up to dry and you are ready for your next adventure. Experience the freedom and explore your possibilities!!

#### Determining the correct hip width

Measure the width of your hips to check which size matches the size of your body. When seated, hold a tape measure horizontally above the widest point of your upper legs, closely against the front of your hips. Do not follow your leg contours, keep the tape measure straight. Measure from A to B (or B to A). Choose the larger size if the measured size is in between two sizes.
